Weekend STEP Operation

Date: September 12th-13th

Location: City Wide

EL PASO, TEXAS: The El Paso Police Department is conducting a two day city wide Selective Traffic Enforcement Program (STEP) operation this upcoming weekend. STEP is a grant funded by TX DOT aimed to reduce the number of accidents and related injuries and deaths on state highways. The focus of this weekend's STEP operation is speed enforcement. There will be marked police presence on the roadways with increased traffic enforcement.
